The Reich Commissioner for the World Fair in St. Louis 1904

Berlin, 18th May 1905

Dear Lord!

I allow myself to hereby send Your Grace with the most respect a number of photographs of the Philippine natives and their presentation at St. Louis. I also attach a copy of "The Philippines" journal and hope that these may be of interest for the Württemberg Association for Commercial Geography.

With most respect for Your Grace,

Paul Zilling
